++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry with sunny spells.

Today:
A mainly dry and bright day with some good spells of sunshine, the best of these across Angus, although western parts will see rather more cloud at first and again later. Occasionally fresh westerly winds easing. Maximum temperature 20 deg C (68 deg F).

Tonight:
A mainly dry evening and night for most with late sunny then clear spells, although western parts look cloudier with perhaps a little drizzle over the hills. Minimum temperature 8 deg C (46 deg F).

Sunday:
Rather cloudy at times in the west, otherwise some good spells of warm or very warm sunshine, especially towards the coast. Risk of a few heavy evening showers in south. Maximum temperature 23 deg C (73 deg F).

Outlook for Monday to Wednesday:
Cloud and rain soon clearing Monday then sunny spells and isolated showers. Bright morning Tuesday, cloudier afternoon with, especially in west, patchy rain. Early rain or showers Wednesday, brighter later.
